

JRRN: Japan River Restoration Network

Website, Newsletter, News-mail

JRRN operates the website and facebook to enhance information sharing in Japan. JRRN website provides information on topics related to river restoration in Japan and in other countries, examples of restoration projects, events, books, useful resources etc. In addition, JRRN published "JRRN Newsletter" once per month, and distributed "JRRN News-mail" once a week. (vol. 141 Newsletter, No. 823 News-mail as of Mar. 2019).

In addition, JRRN operates website on the collaborative nature restoration along the river since March 2016 to enhance knowledge sharing on this field. This website includes "about collaborative nature restoration along the river", "How to step ahead", "Case examples" and "News & Events" etc.

Events

JRRN held a “Collaborative Nature Restoration Summit” and iRIC training seminar. Those events were supported by the River Fund of The River Foundation.

■ Collaborative Nature Restoration Summit Kobe (Jan. 2019)

■ Technical field excursion and iRIC Training Seminar Kobe (Jan. 2019)

Collaborative Activities

JRRN collaborated and supported regional river restoration events to enhance the activities in the river with public and private sectors.

■ ECES Annual Conference 6th Discussion Workshop Tokyo (Sep. 2018)

■ Nature-oriented River Management Field Training Akita (Oct. 2018)

■ Traveling educational exhibition of river and water by Jawanet

International Exchange

JRRN took part in international symposium/conference on river restoration and supported technical visit in Japan for further technical exchange with international experts.

- 1) Participation in ARRN's "15th International Forum on Waterfront and Watershed Restoration" and "13rd Governing Council Meeting" (August 2018, Tokyo JAPAN)

- 2) Technical exchange and supporting site visit on river restoration with Taichung City Government delegation (August 2018, Tokyo JAPAN)

- 3) Technical exchange and supporting site visit on river management with DSD, Hong Kong Government delegation (September 2018, Tokyo JAPAN)

- 4) Participation in "Round-Table Meeting of Leaders of Water-Related International Organizations" in 60th Anniversary week of IWHR (October 2018, Beijing CHINA)

Research

JRRN studied on collaborative nature restoration along river in Japan through partnership approach between river administration and Citizen's group with experts and JRRN members. (Since 2014)

Publication

JRRN compiled the results of our activities as online publication, and promoted efforts to disseminate them through the JRRN website so that they will be widely utilized.

■ Cherry Blossom and Waterscape Photo Collection 2018 (Jun. 2018)

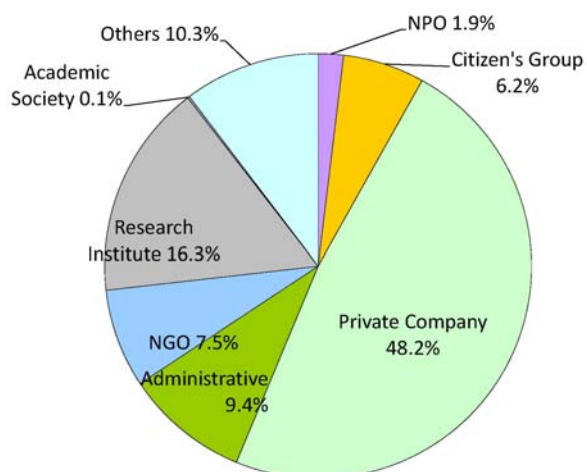

■ Report on " Collaborative Nature Restoration Summit" (Mar. 2019)

Membership

JRRN consists of about 795 personal and 60 organization members as of March 2019.

Sector breakdown of JRRN personal member

JRRN's Award-winning

JRRN received the "Excellent Achievement Award 2018" from the River Foundation for the grant project "Human Resources Development through field training on Collaborative Nature Restoration".

Award ceremony (Tokyo, Jan. 2019)
